Softball
Tournament
- **Fri., May 18**
Bondel
Softball
Tournament
(Rain Date:
May 22)
- **Tues., May 22**
3rd-4th Grade
Safety Day

Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

Religion: In religion, we have been studying many of Jesus miracles and parables lately. We have also been stressing the importance of putting God first in our lives and letting the other pieces come after this. We did an object lesson using tennis balls, pebbles, and sand to demonstrate this.

Science: Our Einstein Electric Circuit kits are underway! We've had a blast discovering different ways to create basic circuits. As we progress through our unit, we will be creating small house models, wiring these, and creating switches. *If you have any cardboard boxes or shoe boxes that we would be able to use for this part of the project, it would be much appreciated!*

Writing: The students have done a great job on their Titanic writing projects. These will be on display in the school hall if you would like to check them out.

Earth Day Clean-Up: Our Earth Day clean-up has been moved up to this Friday. Please make sure you child dresses in "older" clothes this day, as we may be getting a little bit dirty.

3rd-4th Safety Day: A permission slip is going home for the 3rd-4th grade safety day in May. Note that 3rd-4th graders will need to bring a cold lunch on this day. I am still looking for parent drivers for this event. Please sign and return this when you get a chance. Thank you!

Blessings on the rest of your week!

In Christ,
Miss Bernau
